NAAC 3rdCYCLE

Criterion VI Metric 6.5.1

Criterion VI: - Governance, Leadership and Management Key Indicator – 6.5 Internal Quality Assurance System (IQAS)

IQAC Contributions

SIGNIFICANT CONTRIBUTIONS MADE BY CIMAT- IQAC DURING LAST 5 YEARS

Accreditation and Rankings:

Successfully led the accreditation process and achieved accreditation from reputed accreditation bodies.

We have implemented strategies to improve the business school's national and international rankings, enhancing its visibility and reputation.

Curriculum Enhancement:

Regularly reviewed and updated the curriculum to align it with industry trends and demands. Introduced innovative and industry-relevant courses to ensure students have the latest knowledge and skills.

Faculty Development:

We have Initiated and facilitated numerous faculty development programs to enhance the skills and knowledge of faculty members.

We have encouraged faculty to engage in research activities, leading to increased publications in reputed journals and conferences.

Student Development:

CIMAT Established career development and counselling services to guide students in making informed career choices.

Implemented mentorship programs, workshops, and seminars to enhance students' soft skills and employability.

Research and Innovation:

We have Promoted a research culture within the business school by supporting research projects and initiatives.

We have Facilitated collaborations with industry partners and research institutions to promote applied research and innovation.

Criterion VI: - Governance, Leadership and Management Key Indicator – 6.5 Internal Quality Assurance System (IQAS)

IQAC Contributions

Infrastructure and Technology Upgrade:

We worked towards improving infrastructure facilities to provide a conducive learning environment.

We have implemented technology upgrades, such as e-learning platforms and digital resources, to enhance the teaching and learning experience.

Quality Assurance Mechanisms:

We have implemented robust internal quality assurance mechanisms to continuously monitor and evaluate the quality of academic and administrative processes.

We have conducted regular audits and assessments to identify areas for improvement and implement corrective measures.

Community Engagement:

We have fostered relationships with the business community through industry interactions, guest lectures, and collaborative projects.

We have Initiated community outreach programs, encouraging students and faculty to contribute to societal development through their skills and knowledge.

Sustainability Initiatives:

We have Integrated sustainability and ethical business practices into the curriculum.

We have implemented eco-friendly measures on campus, reflecting our commitment to social responsibility.

Stakeholder Feedback and Satisfaction:

We have established channels for regular feedback from students, faculty, employers, and alumni to assess satisfaction levels and make necessary improvements.

We have used feedback to make data-driven decisions and enhance the overall experience of all stakeholders.
